**Audiences**  
SOUTH

## Helping define and provide routes to cultural engagement

Audiences South is supporting those local authorities who have adopted NI 11 in identifying opportunities for increased engagement and providing innovative audience development projects to support the activity on the ground.

Audiences  
SOUTH

## Helping connect people with culture

Audiences South is working with a collaboration of cultural organisations in Portsmouth (including Aspex gallery pictured) to connect non-engaging local families with the wide range of cultural activities on offer to them.

**Audiences**  
SOUTH

## Helping people understand and remove barriers

Audiences South is working with the Hog  
The Limelight rural touring scheme to  
increase engagement through new  
programme possibilities and improved  
marketing.

**Audiences**  
SOUTH

## Supporting those organisations that provide culture

Audiences South's organisational diagnostic allows you to identify areas of strength and weakness and create a plan that develops your audience focus.

**Audiences**
